Section 1.30 "Via Paradisus" -- shall mean the residential subdivision depicted by the Plat, including any later additions or phases of the same.

**ARTICLE 2.
USE RESTRICTIONS**

Section 2.1 Use Restrictions. The use restrictions contained in this Article shall, except for specific exceptions identified herein, apply uniformly to all Lots and Dwelling Units on the Property except that they shall not apply to the activities of the Association or the Declarant within the Common Areas or easements, including construction of improvements by the Declarant or the Association other than Dwelling Units. The Declarant may, in extending this Declaration to additional real property as permitted by Article 3 hereof, including the Adjacent Property, provide in any supplemental declaration filed with regard to the additional land subjected to this Declaration modifications of the use restrictions set forth herein to reflect the actual nature of the development of the additional real property to which the supplemental declaration applies. By way of example, but not limitation, the Declarant may extend this Declaration to additional real property developed as a "Hamlet" pursuant to Marion County Land Development Regulations. The Declarant may provide for different minimum square footage requirements, for the designation of buildable areas, for different setback requirements, or for other modifications of this use restrictions with regard to Lots within the Hamlet.

Section 2.2 Residential and Agricultural Use Only. No Lot shall be used for any purpose except for residential or agricultural purposes, limited as set forth herein. The terms "residential" and "agricultural" are intended to prohibit any commercial or institutional use, including professional office use of any portion of any Lot or Dwelling Unit. The ARB may approve the use of a Dwelling Unit as a home office upon receipt of reasonable assurance that said use shall not result in vehicular traffic by clients, customers, delivery persons, or employees, or other third parties not residing within the Dwelling Unit. No Building shall be erected, altered, placed or permitted to remain on any Lot other than Dwelling Units designated for residential use, with attached private garages, or detached private garages, guest houses, barns, or storage facilities which have been approved by the ARB and are consistent with the primarily residential and agricultural use of the Property. Construction of no such private garage, detached private garage, guest house, barn, storage facility or other approved accessory structure may be commenced until commencement of construction of an approved Dwelling Unit on the Lot, and no such private garage, detached private garage, guest house, barn or storage facility may be occupied or used prior to issuance of a Certificate of Occupancy for a Dwelling Unit. Agricultural purposes shall be limited to cattle and horse farming and horse training. The planting and harvesting of crops, other than hay, and gardens permitted in

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

accordance with Section 2.36 and the raising of livestock, other than cattle and horses, shall be prohibited. Notwithstanding the foregoing, the ARB may allow the raising of other livestock as part of Future Farmers of America or similar projects by minors residing upon a Lot. In approving any such raising of livestock or part of a project the ARB may require that the Lot Owner provide sufficient assurance that adjacent Lots shall not be bothered by loud noises or noxious odors associated with said livestock. Notwithstanding the foregoing, no Owner may maintain upon his Lot more than one horse or cow per acre included within the Lot, after deducting one acre for any Dwelling Unit located on the Lot. (By way of example, on a 10 acre Lot with a Dwelling Unit the Owner may have a total of nine (9) horses, cows, or a combination thereof). For purposes of this provision a mare with foal shall be considered one horse and a cow with calf shall be considered one cow, until the foal or calf, as the case may be, is weaned. Notwithstanding the foregoing, if the ARB determines that the number of horses and/or cows on any Lot results in unsightly overgrazing the ARB may require a reduction in the otherwise permitted amount of horses or cows maintained on the Lot. A Lot Owner may breed horses or cows regularly kept upon the Lot, and may train horses regularly kept upon the Lot, but may not, on a commercial basis, provide stud services from its Lot to third parties, provide training of, or boarding of, horses to third parties, or provide riding lessons or riding activities for pay to third parties. Notwithstanding the foregoing, no livestock shall be located within the Wetlands or Wetlands Buffers (as those terms are defined in Section 3.16), or Vegetated Natural Buffers (as that term is defined in Section 3.15) permitted as part of the Surface Water or Storm Water Management System. Any Lot Owner maintaining livestock on his Lot shall install adequate fencing approved by the ARB to prohibit the entry of livestock into such areas. None of the foregoing shall prohibit the Declarant, or contractors approved by Declarant, from using Dwelling Units as models or offices. No mobile homes shall be permitted on the Property.

Section 2.3 **Permitted Uses Within Right-of-Way Easement Area.** No Owner may construct any improvements within the Right-of-Way Easement Area other than driveways, mailboxes, landscaping and entry features approved by the ARB. The ARB may decline to permit any such improvements which interfere with the use of Right-of-Way Easement Area for the purposes contemplated by Sections 3.10 and 3.12 below. Without limiting the foregoing, no fencing shall be constructed within the Right-of-Way Easement Area without express approval of the ARB.

Section 2.4 **Minimum and Maximum Square Footage.** The ground floor of any single story Dwelling Unit erected on a Lot shall not be less than 3,000 square feet of living area. A two-story Dwelling Unit shall have a minimum first floor living area of 2,000 square feet. Living area must be heated and cooled and excludes garages, open porches, decks, and atriums, whether or not heated and cooled. The minimum and maximum roof pitch and fascia width shall be determined by the ARB. Recognizing that unusually large Dwelling Units may disrupt the harmony of, and aesthetic values within, the Property, each Owner by acceptance of a deed to a Lot, acknowledges that the ARB may apply different and stricter architectural review standards to unusually large Dwelling Units. Minimum Square Footage requirements set forth herein may be altered for portions of the Property not initially encumbered by this Declaration, but made subject thereto by a supplemental declaration recorded in the Public Records of Marion County, Florida.

Section 2.5 **Subdivision - Multi Units.** Only one Dwelling Unit may be erected on each Lot, although an additional garage apartment, detached guest house, or apartments incorporated into barns may be permitted by the ARB. No one may reside in such additional garage apartment, detached guest house, or apartment incorporated into a barn until a Certificate of Occupancy has been issued for the principal Dwelling Unit on the Lot. No Lot may be subdivided, except to increase the size of an Owner's property upon which a single Dwelling Unit is constructed.

Section 2.6 **No Temporary or Accessory Structures.** No portable, storage, temporary or accessory buildings, sheds or structures, or tents, shall be erected, constructed or located upon any Lot for storage or otherwise, without the prior written consent of the ARB; provided, however that

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

this prohibition shall not apply to shelters used by the Declarant or a licensed contractor during the construction of any Dwelling Unit.

Section 2.7 **Pets.** Except for livestock permitted in accordance with Section 2.2 above, no animal shall be kept or maintained on any Lot except conventional household pets (dogs, cats, birds or fish) and only in such number as not to constitute a hazard, nuisance or annoyance to the Owners of adjoining Lots. Household pets may not be bred for commercial purposes, and the boarding of household pets on a commercial basis is prohibited. The Association shall have the exclusive authority to determine whether the number and manner of keeping conventional household pets constitutes a hazard, nuisance, or annoyance to the Owner of adjacent Lots. Such permitted animals shall be kept on the Owner's Lot and shall not be allowed off the premises of the Owner's Lot except under restraint and in the company of the Owner, a member of the Owner's family or servant. No permitted pet shall be allowed to make noise in a manner or of such volume as to annoy or disturb other Owners.

Section 2.8 **Restriction on Activity.** No noxious or offensive activity shall be conducted or permitted to exist upon any Lot or in any Dwelling Unit, nor shall anything be done or permitted to exist on any Lot or in any Dwelling Unit that may be or may become an annoyance or private or public nuisance. No Lot, driveway, or Common Area shall be used for purposes of vehicle repair or maintenance, other than routine maintenance such as oil changes or tune-ups of vehicles owned by the Owner of that Lot or persons residing thereon. This restriction shall not apply to activities conducted by the Declarant in the construction, sale or maintenance of improvements upon the Property.

Section 2.9 **Lot Maintenance.** Each Owner shall maintain his Lot and all improvements thereon in a clean, neat and attractive condition, and shall keep his Lot free of any accumulation of junk, trash, abandoned vehicles, used construction materials, equipment or any other unsightly objects and shall not permit any natural or artificial feature on his or her Lot to become obnoxious, overgrown, or unsightly.

Section 2.10 **Restrictions on Walls, Fences or Hedges.** No wall, fence or hedge shall be erected, placed, altered, maintained, or permitted to remain on any Lot unless and until the height, type, location, and surrounding landscaping have been approved by the ARB in accordance with Article 7 hereof. No wall, fence, hedge, gate, or other improvement may be erected in the Right-of-Way Easement Area without the approval of the ARB. It is the intention of Declarant that construction of walls, fences, hedges, gates, or other improvements within the Right-of-Way Easement Area be strictly limited so as to prevent interference with the use of the same as contemplated by Sections 3.10 and 3.12 below. No wall or fence may be painted or altered in appearance from the appearance approved by the ARB without subsequent ARB approval. No chainlink, barb wire, hog wire, chicken wire, or similar fencing will be permitted, except that the ARB may permit vinyl or chain link fencing in portions of the Rear Yard of a Lot adjacent to the Dwelling Unit as determined to be acceptable by the ARB, and may permit otherwise approved fencing to be backed with field wire. The ARB may require that fences be set back from Lot Lines, Common Areas, and the Right-of-Way Easement Area as reasonably required, in the ARB's determination, to facilitate access to, and use of, adjacent properties, Common Areas, and the Right-of-Way Easement Area. All hedges must be neatly trimmed.

Section 2.11 **Potable and Wastewater Restrictions.** No mobile storage or other similar container shall be permitted to exist on any Lot except within a Dwelling Unit or other approved structure. Each Lot will be serviced by a private well and septic system which shall meet all County or City, as applicable, and State requirements. The location of all septic tanks and drainfields and the incorporation of the same into the landscaping must be approved by the ARB.

Section 2.12 **Swale Maintenance.** The Declarant has constructed a Surface Water or Storm Water Management System, including drainage swales, upon certain Lots and within Common Areas for the purpose of managing and containing the flow of excess surface water, if any, found upon the Property from time to time. Each Owner of the Lot upon which a portion of

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

the Surface Water or Storm Water Management System is located shall be responsible for maintenance, operation, and repair of any drainage swales or other Surface Water or Storm Water Management System features on their Lot, including drainage swales located within any portion of the Right-of-Way Easement Area located on their Lot. Maintenance, operation, and repair shall mean the exercise of practices such as mowing and erosion control, which allows the swales and features to provide drainage, water storage, conveyance or other storm water management capabilities as permitted by the water management district. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales or features, including by accumulation of grass clippings or other debris, is prohibited. No alteration of the drainage swales shall be authorized and any damage to any swale or feature, whether caused by natural or human induced phenomena, shall be repaired, and the drainage swale or feature returned to its former condition as soon as possible by the Owner of the Lot upon which the drainage swale or feature is located. Prohibited activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; construction or alteration of any water control structure; or any other construction to modify the Surface Water or Storm Water Management System. Within the Vegetated Natural Buffer (as that term is defined in Section 3.15 below), and within any Wetlands and Wetlands Buffers (as those terms are defined in Section 3.16 below) as well as any wetland mitigation area or wet detention pond included within the Property, as those terms are defined by the St. Johns River Water Management District, no vegetation shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the St. Johns River Water Management District. Construction and maintenance activities which are consistent with the design and permit conditions approved by the St. Johns River Water Management District and any Environmental Resource Permit may be conducted without specific written approval from the St. Johns River Water Management District.

Section 2.13 Garages and Parking. Each Dwelling Unit shall have an attached or detached garage designed for storage of at least two (2) automobiles. At least two (2) such spaces must be maintained operational for the storage of automobiles, boats, and other motor vehicles. Garage doors shall be opaque and remain closed except when in actual use to allow ingress and egress into the garage. No boats, tractors, trailers, recreational vehicles, or trucks with ratings in excess of one ton, may be kept upon a Lot except within a garage or other approved structure. No on-street parking is permitted. Under no circumstances may more than two (2) vehicles be regularly maintained on any Lot which are not regularly kept within a garage or other approved structure.

Section 2.14 Insect and Fire Control and Trash Removal, Maintenance of Surface Water or Storm Water Management System. In order to implement effective insect, reptile, rodent, and fire control, and to maintain the Surface Water or Storm Water Management System in good working order, the Association and its agents shall have the right, but not the duty, to enter upon any Lot, such entry to be made by personnel with tractors or other suitable devices for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, grass or other unsightly growth, which in the opinion of the Association detracts from the overall beauty, setting and safety of the Property, or the operation of the Surface Water or Storm Water Management System. Such entrance for the purpose of mowing, cutting, clearing, or pruning shall not be deemed a trespass but shall be deemed a license coupled with an interest. The Association and its agents may likewise enter upon such land to remove any trash which has collected on such Lot or Dwelling Unit without such entrance and removal being deemed a trespass. The provisions in this section shall not be construed as an obligation on the part of the Association to mow, clear, cut or prune any Lot nor to provide garbage or trash removal services. The costs incurred by the Association in exercising its right under this Section shall constitute a Special Assessment against the Owner of the Lot or Dwelling Unit and shall in every respect constitute a lien on the Lot or Dwelling Unit as would any other assessment by the Association. No such entry shall be made, except in the case of emergencies, without prior written notice mailed to the last known address of the Owner advising him that unless corrective action is taken with ten (10) days the Association will exercise its right to enter the Property pursuant to this Section.

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

- Section 2.15 Clothes Lines.** No exterior clothes lines or drying areas shall be permitted except removable clothes lines or drying areas which shall be erected only during daylight hours, and only in the Rear Yard of any Lot.
- Section 2.16 Exterior Antennas, etc.** No exterior antennas, satellite dishes or similar equipment shall be permitted on any Residential Lot or Dwelling Unit thereon, except that satellite dishes of less than one (1) meter in diameter may be installed on Dwelling Units if approved, including as to location, by the ARB.
- Section 2.17 Exterior Paint.** No paint may be used on the exterior of any Dwelling Unit in a color other than the color of exterior paint used in the original construction of the Dwelling Unit, without the prior written consent of the ARB.
- Section 2.18 Signs.** No commercial sign or other sign shall be erected or maintained on any Lot or Dwelling Unit within public view except as may be required by legal proceedings. The ARB will not grant permission for said signs unless their erection is reasonably necessary to avert serious hardship to the Owner. Such prohibition shall apply to commercial real estate signs advertising a particular Lot or Dwelling Unit for sale or for rent, except that a single commercial real estate sign not exceeding 18" x 30" may be displayed on any Lot without the prior permission of the ARB. Notwithstanding the foregoing, the ARB may establish Rules and Regulations requiring the use of uniform real estate signs within the Property. Property identification or like signs exceeding a combined total of more than two (2) square feet may not be erected (or affixed to a Dwelling Unit) without the written permission of the ARB. Campaign or political signs are permitted so long as the same do not exceed eighteen (18") inches by thirty (30") inches. No homesite may display, however, more than one sign for any individual political candidate and campaign or political signs may not be displayed more than three weeks prior to the election to which the signs are related and must be removed within one week after said election. These restrictions shall not apply to restrict the Declarant from erecting such signs as the Declarant deems in its sole discretion to be necessary to assist the Declarant in selling any Lot or Dwelling Unit.
- Section 2.19 Exterior Maintenance.** Each individual Owner shall have the responsibility to maintain the exterior of their respective Dwelling Unit. Failure to maintain the exterior of the Dwelling Unit in reasonable condition, as determined by the ARB shall constitute a Non-Monetary Default pursuant to Section 6.2 entitling the Association to levy a fine. In addition to the foregoing, the Association shall have the right, but not the duty, to provide maintenance to any exterior areas visible from the roads or adjacent Lots, including repairs to walls and roofs, painting, landscaping and lawn maintenance. The Association shall have the right to make reasonable repairs and perform reasonable maintenance in its sole discretion, after ten (10) days written notice to an Owner of a Dwelling Unit to perform maintenance and failure by the Owner to perform said maintenance. Any and all costs incurred by the Association in performing repairs and maintenance under this Section shall be paid out by the Owner. If the Owner fails to pay, then the Association shall have the right to impose a Special Assessment against said Owner to pay for the cost of repairs and replacements. Such Assessment shall in every respect constitute a lien on the Lot or Dwelling Unit as would any other Assessments by the Association. The Association shall have the right to enter upon any Lot or upon the exterior of any Dwelling Unit for the purpose of providing repairs and maintenance as provided in this Section, and any such entry by the Association or its agent shall not be deemed a trespass. No such entry shall be made without prior written notice mailed to the last known address of the Owner advising him that unless corrective action is taken within ten (10) days the Association will exercise its right to enter the Property pursuant to this Section.
- Section 2.20 Allowable Trim and Decoration.** No Owner or tenant of an Owner shall install shutters, awnings, or other decorative exterior trim, except small exterior decorations such as address plates and name plates, which shall not exceed the sign limitations set forth in Section 2.18 above, without the prior written consent of the ARB. All other outside decorations and ornaments, whether affixed to the Dwelling Unit or placed elsewhere on the Lot, are

FOR
VIA PARADISUS**

prohibited, unless approved by the ARB. This restriction shall not apply to seasonal decorations from two weeks prior to the holiday to which the decorations are related until one week after said holiday, nor shall apply to any seasonal decorations from the period commencing on Thanksgiving and extending until January 10th of the following year. Notwithstanding the foregoing, the ARB may prohibit or restrict decorations which it determines, in its sole discretion, create a hardship on, or nuisance to, neighboring property, or otherwise interferes with the quiet and peaceful enjoyment by any other Owner of that Owner's Lot. This restriction shall not apply to a single flag pole which may not, however, extend higher than the roof of the Dwelling Unit, and the location of which must be approved by the ARB.

Section 2.21 **Window Tinting.** No reflective foil or other material, or tinted glass shall be permitted on any windows except for tinted glass approved by the ARB.

Section 2.22 **Unit Air Conditioners.** No air conditioning units may be mounted to windows or walls unless the location, method of installation and appearance has been approved in writing by the ARB. It is the intention of this provision to authorize the ARB to approve or disapprove such air conditioning units in its sole discretion, on purely aesthetic grounds or any other grounds. All other air conditioning units shall be located in the Rear Yard or Side Yard and shall be effectively screened by plant matter or opaque fencing approved by the ARB.

Section 2.23 **Interior Maintenance.** Each individual Owner shall have the responsibility to maintain the interior of their respective Dwelling Unit. In the event the interior of said Dwelling Unit is damaged in such fashion so as to create a health or safety hazard to adjoining Dwelling Units or to create a nuisance and such damage is not repaired within thirty (30) days from the occurrence of the damage, then in such an event, the Association shall have the right to make reasonable repairs, after at least ten (10) days written notice to the Owner of the extent of the repairs and when they will be made, to the interior of such Dwelling Unit or take steps to secure the Dwelling Unit to remove or correct the health or safety hazard and shall be entitled to make a Special Assessment against the Owner of the Dwelling Unit for the costs of such repairs. Such Assessment shall in every respect constitute a lien on the Lot or Dwelling Unit as would any other Assessment by the Association.

Section 2.24 **Tree Removal Restrictions.** No living tree shall be cut down, destroyed or removed from the Common Areas, including from any easements located upon a Lot, by an Owner without the prior approval of the ARB. All requests for approval of tree removal shall be submitted to the ARB along with the plans showing generally the location of such tree(s). This restriction shall not apply to the Declarant in the course of construction, sales or maintenance of improvements upon the Property. Anyone violating the provisions of this Section will be required to replace such tree(s) with tree(s) of like kind, size and condition within thirty (30) days after demand by the Association. If the Owner fails or refuses to replace the tree(s) as demanded, the Association will cause suitable replacements to be planted and the cost thereof shall constitute a Special Assessment against the Owner and its Lot. The Owner grants the Association, its agents and employees, an easement for ingress and egress over and across said Lot to enable it to comply with this Section. Nothing contained herein shall permit the cutting down, destruction, or removal of any living tree, with or without the prior approval of the ARB, within the Vegetated Natural Buffer (as defined in Section 3.15 below) or the Wetlands and Wetlands Buffers (as defined in Section 3.16 below) except as otherwise permitted by Sections 3.15 and 3.16 and the rules, regulations, and requirements of the St. Johns River Water Management District.

Section 2.25 **Driveways.** All driveways which connect to the streets of Via Paradisus, said streets being maintained by the Association, must be constructed in the following manner:

2.25.1 That portion of any driveway which is constructed in the road right-of-way must be constructed and paved in accordance with Marion County Land Development Code Appendix B, LDC Detail 19.

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

2.25.2 No driveway may be less than twelve feet (12') nor more than twenty feet (20') wide except for parking areas.

2.25.3 The connection of all driveways to the street must be made so that the surface of the driveway is lower than the street and the connection of the driveway to the street must be constructed in a fashion to assure that the driveway slopes away from the street at a rate sufficient to provide that the driveway is at least six inches (6") lower than the street at a point midway between the edge of the pavement and the boundary line of the road right-of-way easement.

2.25.4 All construction of driveways set forth above, must be in accordance with accepted building and engineering standards. All driveways must be constructed of asphalt, concrete, pavers or other surface approved by the ARB. Each Owner shall be responsible for the maintenance of the driveways serving his or her Lot in good condition so that they do not become unsightly or cause damage to the street, swales, ditches, or Common Areas.

Section 2.26 **Construction on Lots.** All exterior construction and landscaping of any Dwelling Unit shall be completed before any person may occupy the same. All construction on any Dwelling Unit shall, once commenced, be pursued diligently and shall be, under any circumstances, completed within twenty-four (24) months from the issuance of the building permit for that Dwelling Unit. All construction on any Lot shall be at that Lot Owner's risk and that Lot Owner shall be responsible for any damage to Common Areas, utilities, public rights-of-way, sidewalks, or curbing resulting from construction on such Lot. Repairs of construction damage must be made within thirty (30) days.

Section 2.27 **Recreational Equipment.** All permanent recreational equipment, including but not limited to swing sets, swings, sandboxes, and trampolines, shall be located in the Rear Yard, except for a single basketball pole and hoop which may be erected adjacent to the driving serving a Dwelling Unit, and except for recreational equipment the location of which is approved by the ARB. Any other recreational equipment shall be kept within the Dwelling Unit or other ARB approved structure except when in use.

Section 2.28 **Grassed Areas and Yards.** All Lots shall, upon completion of a Dwelling Unit and prior to any person occupying the Dwelling Unit, be fully landscaped and grassed in accordance with plans submitted to, and approved by, the ARB. The ARB will determine the area of the yard that must be sodded. This area must be sodded with grass approved by the ARB, and shall be serviced by an inground irrigation system approved by the ARB simultaneously with the landscaping plan. The lawn shall be comprised of grass only and shall be cut and edged next to all concrete, asphalt and other non-lawn surfaces. All areas of a Lot, including any portion lying within the Right-of-Way Easement Area, that are not sodded, landscaped, or left natural as approved by the ARB must be grassed. All grass shall be of a type approved by the ARB. Grassed areas, including any portion lying within the Right-of-Way Easement Area, will be regularly mowed, and will be appropriately watered, fertilized, and treated for grass destroying pests, including insects, fungus, weeds, and disease in a manner designed to insure healthy growth, color and appearance. Decorative rock yards, paved yards, or yards in which the principal ground cover is other than living vegetation are specifically prohibited. No artificial shrubbery, trees, or other artificial vegetation or landscaping, or potted shrubbery, trees, or vegetation shall be permitted outside the Dwelling Unit, except that live shrubbery, trees, or other vegetation in uniformly designed and attractive pots may be displayed on porches, patios, or at the entrance areas of a Dwelling Unit. All shrubbery shall be regularly trimmed, fertilized, watered, and treated for pests as needed to assure the health and attractive condition of the shrubbery. All non-lawn areas shall be kept free from excessive weeds or unsightly undergrowth or brush. The Owner's maintenance and care obligations as set forth herein shall apply to all portions of the Lot including any easements located on or adjacent thereto, including front, side, and rear road and utility easements, and the Right-of-Way Easement Area. Each Owner shall maintain the portions of the Common

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

Areas lying between the Owner's Lot and the pavement of any adjacent paved street, including culverts.

Section 2.29 **Irrigation.** All landscaped areas, excluding grassed areas maintained as pasture, shall be serviced by inground irrigation systems.

Section 2.30 **Vacant Lots.** The grassy areas of any vacant Lots shall be kept regularly mowed and trimmed, and all areas of vacant Lots shall be kept free of trash, debris, and unsightly or noxious weeds or underbrush. The foregoing shall not prohibit an Owner from allowing areas planted in hay from growing to a length suitable for baling. The Association shall have the right, but not the duty, to provide such maintenance to vacant Lots, after ten (10) days notice to the Owner of a vacant Lot to perform such maintenance and failure by the Owner to perform said maintenance. Any and all costs incurred by the Association in performing maintenance under this Section shall be paid by the Owner, failing which the same shall constitute a Special Assessment against the Owner and shall in every request constitute a lien on the Lot or Dwelling Unit as would any other assessment by the Association.

Section 2.31 **Pools.** No above-ground pools are permitted within the Property. However, pools may have a wall-out-of-ground if approved by the ARB. All pool enclosures, including screening, must be approved by the ARB. All in-ground pools shall include a paved patio extending from the Dwelling Unit and completely surrounding the pool and shall be located in the Rear Yard.

Section 2.32 **Set-back Requirements and Building Location.** All Dwelling Units shall be set back at least as far as required by the applicable County or City Building and Zoning Code, or any setbacks as shown on the face of the Plat. The ARB may establish general minimum setbacks for Dwelling Units in excess of those established by the County or City, but shall under any circumstances be able to grant waivers or variances of ARB established setbacks in recognition of the topography of individual Lots, and to facilitate, where the ARB deems advisable, the construction of a single Dwelling Unit on contiguous Lots under common ownership or on or adjacent to adjacent real property not within the Property but under common ownership with an adjacent Lot.

Without limiting the foregoing, minimum setbacks established by the ARB may be altered for portions of the Property not initially encumbered by this Declaration, but made subject thereto by a supplemental declaration recorded in the Public Records of Marion County, Florida.

Section 2.33 **Storage.** No items may be stored on a Lot outside a Dwelling Unit or approved building including, without limitation, scrap metal, junk or salvage materials, items or articles whether the same be in the form of wrecked or junked vehicles, appliances, furniture, equipment, building materials, boxes of any kind, or lawn tools, supplies, lawn mowers, and equipment. All tools, supplies, mowers, and equipment, including garden hoses and sprinklers, shall be stored by an Owner out of view, except when in use.

Section 2.34 **Household Garbage and Yard Trash.** To the extent not provided by the City or County the Association shall be responsible for selecting a garbage franchisee who will be contracted with on an annual basis or subject to annual review with an annual termination provision for unsatisfactory service. If garbage and trash collection is not provided by the City or County, the Association will contract with a single garbage franchisee to service the Property and each Dwelling Unit must use and pay for garbage services provided by the garbage franchisee selected by the Association or must personally transport trash and garbage to a landfill or garbage box. So long as the Association has contracted with a garbage franchisee, no Lot Owner may use any other third party garbage franchisee to haul garbage or trash from that Owner's Lot, except for the removal of lawn waste by a tree removal or landscaping service. No Lot or any other part of the Property shall be used or maintained as a dumping ground for rubbish of any kind except as set forth herein. Trash, garbage or other waste shall be bagged, tied, and kept in covered sanitary containers in the garage, or at the rear of the Dwelling Unit out of sight from the street within an approved fenced area. On those days and only on those days when garbage pickup or trash pickup are made at the Lot, the Owners

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

shall place their garbage (bagged and tied) on their Lot and adjacent to the street for pickup not earlier than sundown prior to the day of pickup. All receptacles will be removed from the curbside not later than sundown of the day of pickup. In the event trash or garbage must be collected from a receptacle servicing more than one Lot to meet the requirements of a collection company or agency, all trash and garbage shall be in plastic bags and tied securely before being placed in the receptacle. In no event shall trash or garbage be placed outside the receptacle. Nothing contained herein shall prohibit the Declarant, or any builder of a Dwelling Unit, from maintaining receptacles, or sites for the collection of trash, or debris, which receptacles or sites do not otherwise comply with this section, on a Lot or on the Properties during construction of improvements to the Properties or construction of a Dwelling Unit.

Section 2.35 Containers and Fuel Tanks. All garbage and trash containers, bottled gas tanks, water softeners and tanks for irrigation wells shall be located in the garage or, subject to approval of the ARB, in the Rear Yard or a Side Yard adjacent to the Dwelling Unit. Any such garbage or trash containers, bottled gas tanks, or water softeners and tanks for irrigation wells located in the Rear Yard or Side Yard shall be located adjacent to the Dwelling Unit and shall be installed underground or within an area screened by a wall, hedge, landscaping or fence which is not visible from any street or adjoining property. Any such screened area shall be constructed or landscaped in such a manner as to be inaccessible to dogs or other animals and shall be in form and of a material approved by the ARB.

Section 2.36 Gardens and Prohibited Plants. Vegetable gardens may be grown only in the Rear Yard and shall constitute an area of no more than five percent (5%) of the Rear Yard. The ARB may establish, in Rules and Regulations, screening requirements for vegetable gardens and setback requirements for vegetable gardens. The cultivation and maintenance of poisonous and illegal plants is prohibited.

Section 2.37 Lighting. All exterior lighting on any Lot or Dwelling Unit must be designed and erected so as to avoid annoyance to any other Owner, and to avoid unreasonable illumination of any other portion of the Properties except the Lot upon which the lighting is erected. The ARB shall have sole authority to determine whether exterior lighting constitutes an annoyance or unreasonably illuminates other portions of the Property. This provision shall not apply to street lighting installed by the Declarant, the Association, or any governmental entity.

Section 2.38 Mail Boxes. No mail box or paper box or other receptacle of any kind for use in the delivery of mail, newspaper, or magazines, or similar material shall be erected by an Owner unless the size, location, design, and type of material for said boxes or receptacles shall have been approved by the ARB and said boxes shall display only the name of the Owner and the street number of the Lot, and such other identified features as approved by the ARB. The ARB may establish a uniform required design for mailboxes and receptacles. Nothing may be added or attached to the mail box, paper box, or post supporting the same, including without limitation, flags, signs, flowers, decorations, numbers, and license plates.

Section 2.39 Leases. All leases of a Dwelling Unit shall be restricted to residential use. All leases shall be in writing and shall provide that the Declarant shall have the right to terminate the lease upon default by the tenant in observing any provisions of this Declaration. Each lease shall contain the following provision:

The lessee hereby acknowledges that this lease is subject to the Declaration of Covenants and Restrictions for Via Paradisus, that lessee has read the same and agrees to be bound thereby, and that failure to comply with the same may result in certain remedies being applicable to lessee including, without limitation, termination of this lease without further notice, and personal liability of lessee and lessor for damages, including reasonable attorneys fees.

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

(In the event the foregoing language is not contained in any such lease, then the foregoing language is hereby incorporated therein by reference.) In the event a lessee or a lessee's invitee, guest, or licensee of a Dwelling Unit occupies the same without a written lease, the occupancy thereof shall constitute an acceptance of this Declaration and agreement to be bound thereby subject thereto. No lease shall be for a term of less than three months. The Declaration shall have the right to collect attorneys fees against any occupant or tenant and the owner of the Dwelling Unit in the event that legal proceedings must be instituted against such occupant or tenant for his eviction or for enforcement of the Declaration. The Declarant are exempt from the provisions of this section.

Section 2.40 **Water and Sewer Systems.** Each Lot will be serviced by a private well and septic system. Wells and septic systems shall meet all County and State requirements.

Section 2.41 **Motorized Vehicles.** With the exception of motorized vehicles used in the regular maintenance and upkeep of a Lot, and motorized vehicles used on the private roadways within the Property, no motorized vehicle may be used within one hundred (100') feet of the Equestrian Easement, as defined in Section 3.12, in such a fashion as is likely to frighten or disturb horses. Without limiting the foregoing, no Owner may construct on its Lot, or allow to be constructed thereon, any track, course, jumps, or other improvements for the riding or racing of motorcycles, ATVs or other motorized vehicles, nor will any Owner permit such motorized vehicles to be ridden with a frequency which will result in the creation, by wear, erosion or otherwise, of any such track or course. In order to preserve the tranquil nature of the Property the Association may establish rules and guidelines for the operation of motorcycles, ATVs or other similar motorized vehicles within the Property. The Association shall have the authority to determine when violations of this restriction, or rules or regulations promulgated by the Association, have occurred and may levy fines for the enforcement of the same pursuant to Article 6.

Section 2.42 **Utilities.** Unless expressly approved by the ARB all utilities serving any Dwelling Unit shall be installed underground.

**ARTICLE 3.
PROPERTY SUBJECT TO THIS DECLARATION
ANNEXATIONS; PROPERTY RIGHTS**

Section 3.1 **The Property.** The Property as heretofore defined and any improvements now or hereinafter constructed thereon, shall be held, transferred, sold, conveyed and occupied subject to this Declaration.

Section 3.2 **Annexation.** Additional land adjacent to the Property may be annexed to the Property by the Declarant without the consent of the Owners. Upon annexation of said additional land, the Owners of Lots within the land so annexed for all intents and purposes shall be deemed to be Members of the Association in accordance with the provisions of this Declaration, with the right to use the Common Areas identified herein, or identified within the supplemental declaration referred to hereafter. Declarant may alter the terms and conditions under which this Declaration applies to any such new Member as Declarant determines is advisable given the nature of the development of the real property to which this Declaration is extended. The Owners of the Lots shall be subject to the Rules and Regulations, Articles and Bylaws of the Association in the same manner and with the same effect as the original Owners, subject to any reasonable variations determined to be advisable by Declarant given the different nature of the real property to which the Declaration has been extended, and shall have the same rights and obligations granted by this Declaration as the original Owners, subject to reasonable variations as determined by Declarant given the different nature of the real property to which this Declaration is extended. When land is annexed, the Declarant shall file a supplemental declaration in the Public Records of the County, which supplemental declaration shall reference this Declaration and shall contain the legal description of the land annexed. In the event of annexation as set forth herein any portion of the Property than owned by the Declarant or Association may be designated as Common Areas for the use and

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

benefit of the Members. For example, upon annexation the Declarant may convert a Lot within the original Property, or a portion thereof, to be a Common Area to provide ingress and egress to the land annexed. Nothing contained herein shall limit the right of the Declarant to grant easements as contemplated by Section 3.14 without annexing additional lands to the Property.

Section 3.3 **Owner's Easements of Enjoyment.** Every Owner shall have a non-exclusive perpetual right and easement of enjoyment in and to the Common Areas, if any, which right and easement shall be appurtenant to and shall pass with the title to every Lot subject to the following provisions:

- 3.3.1 any limitations or conditions set forth in the deed, grant of easement, license, this Declaration, or other conveyance or agreement creating the right of the Association in and to that portion of the Common Areas; and
- 3.3.2 the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members of the Association. No such dedication or transfer shall be effective unless an instrument, signed by Members representing a majority of the votes of the membership, agreeing to such dedication or transfer has been recorded; and
- 3.3.3 The right of the Association to implement Rules and Regulations, and other restrictions, which shall apply uniformly to each Owner, for the use of the Common Areas; and
- 3.3.4 The right of the Association to prohibit any individual Owner, its tenants, guests or invitees, of making use of the portion of the Common Areas for violation of these Declarations as contemplated by Section 6.2 below.

Section 3.4 **Cross Easement Rights in Common Areas.** At the time any supplemental Declaration is recorded in Public Records of Marion County, Florida bringing any additional land into Via Paradisus, and subjecting the same to this Declaration, as contemplated by Section 3.2 above, all Owners of any Lot in Via Paradisus, whether within the property originally subject to and encumbered by this Declaration or made subject to and encumbered by this Declaration pursuant to a supplemental Declaration, shall have a right and perpetual non-exclusive easement of enjoyment and use in all of the Common Areas in Via Paradisus, regardless of where the Common Areas are located, and such easement shall be appurtenant to and shall pass with title to every Lot and shall not be separated from Lot Ownership.

Section 3.5 **Maintenance Easements.** The Association shall have a non-exclusive perpetual right and easement on every Lot for the purpose of maintaining the Common Areas and providing such other services to the Owners as are authorized or permitted by this Declaration, which right and easement is assignable. The easement granted herein shall not entitle the Association to enter any Dwelling Unit unless specifically authorized by other provisions of this Declaration.

Section 3.6 **Road Easement.** The Association shall have a perpetual non-exclusive easement over all streets, roads, and road rights-of-way depicted on the face of the Plat ("Roads") for access to operate, maintain or repair the Roads. By this easement the Association shall have the right to enter upon any portion of any Lot which is a part of the Roads, at a reasonable time and in a reasonable manner, to operate, maintain, repair or replace the Roads.

Section 3.7 **Easement for Access and Drainage.** The Association shall have a perpetual non-exclusive easement over all areas of the Surface Water or Storm Water Management System for access to operate, maintain or repair the system. By this easement the Association shall have the right to enter upon any portion of any Lot which is a part of the Surface Water or

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR

Storm Water Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Surface Water or Storm Water Management System as required by St. Johns River Water Management System permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire Surface Water or Storm Water Management System. No person shall alter the drainage flow of the Surface Water or Storm Water Management System, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District. The foregoing shall not alter the Owner's principal responsibility for maintaining swales and other features located on that Owner's Lot pursuant to Section 2.12 above. In the event any Owner fails to maintain portions of the Surface Water or Storm Water Management System located on its Lot in accordance with said Section 2.12 above, the Association shall, by virtue of the easement granted herein, have the right to enter upon said Owner's Lot to maintain such swales and portions of the Surface Water or Storm Water Management System and the cost and expense of such maintenance and repair shall constitute a Special Assessment against that Owner and its Lot.

Section 3.8 **Delegation of Use.** Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Areas and facilities to the members of his family, his tenants, or contract purchasers who reside on the Owner's respective Lot.

Section 3.9 **Construction and Sales.** There is hereby reserved to the Declarant, its designees, successors and assigns (including without limitation its agents, sales agents, representatives and prospective purchasers of Lots), easements over the Common Areas, if any, for construction, utilities lines, display, maintenance, sales, parking and exhibit purposes in connection with the erection of improvements and sale and promotion of Lots within the Property and for ingress and egress to and from and parking for construction sites at reasonable times, provided, however, that such use shall terminate upon the sale of all Lots.

Section 3.10 **Utility Easements.** The Declarant retains for itself, and the Association, an easement over each Lot located within all portions of that Lot within seven and one half feet (7.5') of each side lot line (as determined by the ARB) (hereinafter the "*Utility Easement Area*") and over, upon, and across the Right-of-Way Easement Area, for the installation, maintenance, repair, and replacement of utilities serving the Property. To the extent that permits, licenses and easements over, upon or under the Common Areas, the Utility Easement Area, and the Right-of-Way Easement Area, are necessary so as to provide utility services and roads to the Property, or for such other purposes reasonably necessary or useful for the proper maintenance and operation of the Property, each Owner and his heirs, successors and assigns, do hereby designate and appoint the Declarant (and the Association, upon termination or conversion of the Class B membership) as his agents and attorneys-in-fact with full power in his name, place and stead, to execute instruments creating, granting or modifying such easements; provided, however, that such easements shall not unreasonably interfere with the intended use of the Common Areas, the Right-of-Way Easement Area, or the Utility Easement Area, if any.

Section 3.11 **Drainage Capacity Easement.** Declarant retains for itself, and its successors or assigns, an easement over, upon, and across the Common Areas, including any portions of the Surface Water or Storm Water Management System, and any drainage retention areas or water retention areas forming a part thereof, for purposes of increasing the capacity of said Surface Water or Storm Water Management System, including water retention areas or drainage retention areas, to hold and retain surface water and storm water, for the benefit of adjacent real property. Declarant, or its assigns, shall have the right to enter over, upon, and across the Common Areas for purposes of so expanding the Surface Water or Storm Water Management System subject to the requirement that Declarant, or its assigns, return the same to substantially its previous existing condition subject only to the expansion of capacity (i.e., all sodded areas will be re-sodded, all otherwise grassed areas will be reseeded or re-sprigged, and all fencing will be repaired or replaced). Subsequent to any such expansion of the capacity of the Surface Water or Storm Water Management System the same shall be maintained by the Association in the condition existing after the expansion

FOR

of the same, and shall be subject to limitations on alterations set forth in Section 3.7 above and, furthermore, the capacity thereof shall not be diminished without the express written consent of Declarant.

Section 3.12 Equestrian Easement. There is hereby reserved to the Declarant, the Association, each Owner, and to each Permitted User an easement to, over, and upon the portion of the Common Areas designated for equestrian uses by the Association, and upon all portion of the Equestrian Easement as identified on the face of the Plat, and to, over, and upon the Right-of-Way Easement Area (the "*Equestrian Easement*"). The Equestrian Easement as so designated may be used by the Declarant, Owners, or Permitted Users, subject to Rules and Regulations established by the Association, for horseback riding, bike riding, walking, jogging or related activities. Motorized vehicles shall not be permitted in the Equestrian Easement, except as is required to perform upkeep and maintenance therein. Any user of the Equestrian Easement, by virtue of using the easement reserved herein, agrees to indemnify and hold harmless Declarant, Association and any Owner from any and all claims, damages, causes of action, suits or other matters arising out of, or related to, the user's use of the easement herein, or presence on the Property which is subject to this easement. All such users accept the risk of, and responsibility for, injuries, claims, and damages arising out of activities of the kind and nature contemplated hereby. Without limiting the foregoing, each Owner, by acceptance of a Deed to a Lot, agrees to, prior to making use of, or permitting any guest, tenant, invitee, or other Permitted User to make use of, the Equestrian Easement, execute or cause said third party to execute a written waiver of release in form approved by the Association as a pre-condition to use of the Equestrian Easement. The Association may, in addition to promulgating a form waiver and release, also promulgate reasonable rules and regulations for use of the Equestrian Easement. Any user of the Equestrian Easement, by use thereof, acknowledges receipt of the following warning.

WARNING

UNDER FLORIDA LAW, AN EQUINE ACTIVITY SPONSOR OR EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO, OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES.

Section 3.13 Trail Head Easement. There is hereby reserved to the Declarant, the Association, each Owner, and to each Permitted User, an easement (the "*Trail Head Easement*") to, over, across, and upon the real property described in Exhibit "C" (the "*Trail Head*"). The Trail Head Easement may be used by the Declarant, Owners, or Permitted Users for access to the State lands commonly known as the "*Cross Florida Barge Canal*" or "*Greenways*" for horseback riding, bike riding, walking, jogging or related activities, subject to such Rules and Regulations as are promulgated by the Association, and subject to the rules and requirements of the governmental authority having jurisdiction over the Greenways. The owner of the Trail Head may grant an easement for similar uses to third parties, including to the public, and/or convey all or a portion of the Trail Head to the State of Florida or other governmental entity, or dedicate all or a portion of the Trail Head to the Public. The costs and expense incurred by the Declarant or the Association with regard to maintenance, operation, repair and replacement of the Trail Head, and improvements thereto, shall constitute a Common Expense. The Declarant, Association, or owner of the Trail Head may, as a condition of obtaining approval from the State of Florida, Marion County, or other applicable governmental authority to access the Greenways from the Trail Head, agree to maintain, operate, repair and replace adjacent real property, and improvements thereto, for use in conjunction with the Trail Head, and for the benefit of each Owner, the Association, each Permitted User, and the public, all as set forth in the Trail Head Agreement. The costs and expense incurred by the Declarant, the Association, or the owner of the Trail Head with regard to any such maintenance shall constitute a Common Expense.

Section 3.14 Grant of Easements. The Declarant retains the right to create, or cause to be created, easements over, upon, and across the Common Areas for ingress, egress, utilities, drainage, and signage, and otherwise for the purposes for which these Common Areas are designed, in favor of the owner or owners of adjacent real property, their guests, tenants, employees, business invitees, and other Permitted Users. Without limiting the foregoing, Declarant retains the right, without joinder or consent of the Association or the Owner of any Lot to grant to the owner or owners of any portion of the real property described in Exhibit "D" the right to use any and all of the Common Areas including, but not limited to, the Road Easement, Utility Easement, Surface Water or Stormwater Management System, the Equestrian Easement and/or the Trail Head Easement upon terms and conditions reasonably determined to be appropriate by Declarant. Any such grant of easement to third parties shall be evidenced by recording in the Public Records of Marion County, Florida, of an easement agreement executed by Declarant.

Section 3.15 Vegetated Natural Buffer. There shall be set aside a permanent vegetated natural buffer ("*Vegetated Natural Buffer*") over that portion of the Property shown on the Plat as "*Vegetated Natural Buffer*". This Vegetated Natural Buffer extends across Lots 1 through 37, 40 through 44, and 56 through 64. The Vegetated Natural Buffer is part of the Surface Water or Storm Water Management System permitted by the St. Johns River Water Management District. The purpose of this Vegetated Natural Buffer is to detain and treat stormwater prior to drainage offsite; therefore, the area must be maintained with a dense vegetated cover. Filling and replacing of impervious surface (other than fenceposts at the landward boundary of the Vegetated Natural Buffer) are prohibited within the Vegetated Natural Buffer. No alteration of the Vegetated Natural Buffer shall be authorized without prior written authorization from the St. Johns River Water Management District. Any damage to the Vegetated Natural Buffer, whether caused by natural or human induced phenomena, shall be repaired and the Vegetated Natural Buffer returned to its former condition as soon as possible by the Owner of the Lot upon which the Vegetated Natural Buffer is located.

All wetlands identified on the face of the Plat ("*Wetlands*"), and their associated wetland buffers identified on the face of the Plat ("*Wetland Buffers*") will be retained predominately in their natural condition, as suitable habitat for fish, plants or wildlife. Such Wetlands and Wetland Buffers will be maintained as their existing land uses and the following activities will be limited:

- 3.16.1** Construction or placing of buildings, roads, signs, billboards, or other advertising, utilities, or other structures on or above the ground; and

- 3.16.6** Activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation; and
- 3.16.7** Acts or uses detrimental to such retention of land or water areas.

The following activities will be allowed within the Wetland and Wetland Buffers, provided that adverse secondary impacts are avoided as required by Section 40C-4.301(1)(f), F.A.C. and Section 12.2.7(a) A.H.:

3.16.9 Construction of boardwalks no wider than four (4) feet, which would be otherwise allowable under exemption criteria.

3.16.10 Recreational activities which do not remove, damage, or otherwise adversely impact native beneficial vegetation.

3.16.11 Watering of livestock which has been a historic use of the subject property.

3.16.12 Application may be made by an Owner of fill or otherwise impact a Wetland and/or a Wetland Buffer provided that any such activity must be appropriately permitted, and that any required compensatory mitigation be accomplished.

Nothing in this Section 3.16 or other provisions of law shall be construed to prohibit or limit any Owner's right to voluntarily negotiate the sale or utilization of portions of that Owner's Lot subject hereto for the construction and operation of linear facilities, including electric transmission and distribution facilities, telecommunications transmission and distribution facilities, pipeline transmission and distribution facilities, public transportation corridors, and related appurtenances, nor shall this Section 3.16 prohibit the use of eminent domain for said purposes as established by law. In any legal proceeding to condemn land for the purpose of construction and operation of a linear facility as described above, the Court shall consider the public benefit provided by this land and linear facilities in determining which lands may be taken and the compensation paid.

Section 3.17 **Easement for Enforcement.** The Association and the St. Johns River Water Management District shall have a perpetual non-exclusive easement over each Lot upon which any portion of the Vegetated Natural Buffer, Wetlands, or Wetland Buffers are located, and each Lot adjacent to any such Vegetated Natural Buffer, Wetlands, and Wetland Buffers for access to the same for purposes of assuring compliance with the requirements of Section 3.15 and 3.16 above. By this easement the Association and the St. Johns River Water Management District shall have the right to enter upon any portion of any Lot, other than a Dwelling Unit, at a reasonable time and in a reasonable manner, to determine compliance with the requirements of Section 3.15 and 3.16 above and, if required, to repair any damage to the Vegetated Natural Buffer, Wetlands, or Wetland Buffers, or otherwise remedy any violations of Section 3.15 and 3.16 above. Nothing contained herein shall obligate either the Association or the St. Johns River Water Management District to so repair or restore any of the foregoing. The foregoing shall not alter the Owner's primary responsibility for complying with Section 3.15 and 3.16 above. In the event any Owner fails to comply with Section 3.15 and 3.16 above the Association and the St. Johns River Water Management District shall, by virtue of the easement granted herein, have the right to enter upon said Owner's Lot to assure compliance with said Sections and the cost and expense of assuring such compliance, including repairs or restorations required pursuant thereto, shall constitute a Special Assessment against that Owner and its Lot.

By this easement the Association shall have the right to enter upon any portion of any Lot which is a part of the Fire Protection System and any other portion of the Lot necessary to access the Fire Protection System, at a reasonable time and in a reasonable manner, to operate, maintain, repair and replace the Fire Protection System. The cost and expense of said operating, maintaining, repairing, or replacing the Fire Protection System shall be a Common Expense.

**ARTICLE 4.
MEMBERSHIP AND VOTING RIGHTS**

Section 4.1 **Membership in Association.** Every Owner of a Lot which is subject to assessment shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 4.2 **Voting Rights in Association.** The Association shall have two (2) classes of Voting Membership.

Class A. Class A. Members shall be all Owners, with the exception of, until conversion from Class B Membership, the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant who shall be entitled to nine (9) votes for each Lot owned. The Class B Membership shall cease and be converted to Class A Membership three (3) months after ninety percent (90%) of all Lots in all phases of Via Paradisus that will ultimately be operated by the Association have been conveyed to Owners other than the Declarant. At such time the Class B Member shall be deemed a Class A Member entitled to one (1) vote for each Lot in which they hold the interest required for Membership under Article 4, Section 4.1.

**ARTICLE 5.
COVENANT FOR MAINTENANCE ASSESSMENTS**

Section 5.1 **Creation of the Lien and Personal Obligation for Assessments.** The Declarant for each Lot within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, to pay Assessments to the Association, such Assessments to be established and collected as hereinafter provided. The Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the Assessment fell due.

Section 5.2 **Purpose of Assessments.** The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property, and for the improvement and maintenance of the Common Areas including, but not limited to, the Surface Water and Storm Water Management System and for enforcement of the Declaration, and for performance of all obligations of the Declarant as Owner of the Property, and the Association, under the Cross Easement and Maintenance Agreement, and under the Trail Head Agreement.

Section 5.3 **Maintenance.** The Association shall maintain the Common Areas, shall perform all obligations and duties it or the Declarant, as the owner of the Property, may have under the Cross Easement and Maintenance Agreement, or the Trail Head Agreement, and shall assume all of Declarant's responsibility to the State of Florida, the County, its governmental and quasi-governmental subdivisions and similar entities of any kind with respect to the Common Areas or the Property including, but not limited to, roads and water distribution systems, or any Surface Water or Storm Water Management System, and shall indemnify and hold Declarant harmless with respect thereto. Nothing contained herein shall obligate the Association, or otherwise make it responsible for, initial construction of improvements required by the County.

**DECLARATION OF COVENANTS AND RESTRICTIONS

Section 5.4 **Fixing Common Assessment.** The Board of Directors of the Association shall be authorized to assess the Members in such amount as they shall determine necessary:

- 5.4.1 to maintain, repair, improve, reconstruct and replace the Common Areas and any Surface Water or Storm Water Management System, operate the Association, perform other maintenance, repairs, or services authorized or permitted by the Declaration, including performance of all obligations of the Declarant as the Owner of the Property, or the Association, under the Cross Easement and Maintenance Agreement and under the Trail Head Agreement; and
- 5.4.2 To fulfill all maintenance and other obligations or duties the Association, or the Declarant as the owner of the Property may have under the Cross Easement Agreement and under the Trail Head Agreement.
- 5.4.3 to provide for the maintenance of improvements, including, but not limited to, irrigation systems and landscaping lying within public or private rights-of-way; and
- 5.4.4 to install such safety devices and signs as the Board of Directors shall approve along any streets or walkways; and
- 5.4.5 to provide for the installation, maintenance, repair, improvement and replacement of all improvements located within the easements granted to the Association in Article 3; and
- 5.4.6 to otherwise achieve those purposes set forth in Section 5.2 above, as determined to be necessary or advisable by the Board of Directors, and to provide funds necessary to pay all Common Expenses.

The Common Assessment shall be allocated among the Owners, including the Declarant, on the basis of Lots held by each Owner as a portion of the total of Lots held by all Owners. Notwithstanding the foregoing, for so long as Declarant is a Class B Member, the Declarant shall have the option, in its sole discretion, to (i) pay Assessments on the Lots owned by it, or (ii) not to pay Assessments on any Lots and in lieu thereof to fund any resulting deficit in the Association's operating expenses not produced by Assessments receivable from Owners other than the Declarant. The deficit to be paid under option (ii), above, shall be the difference between (i) actual operating expenses of the Association (exclusive of capital improvement costs, reserves and management fees) and (ii) the sum of all monies receivable by the Association (including, without limitation, Assessments, interest, late charges, fines, rent and incidental income) and any surplus carried forward from the preceding year(s). The Declarant may from time to time change the option stated above under which the Declarant is making payments to the Association by written notice to such effect to the Association. When all Lots within the Property are sold and conveyed to purchasers, other than the Declarant, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments, deficits or contributions.

The Common Assessment, determined and allocated as set forth above, shall be fixed at such times, and shall be payable in such installments, as the Board may approve.

Section 5.5 **Capital Improvement Assessment.** In addition to the Common Assessment authorized above, the Association may levy, in any assessment year, a Capital Improvement Assessment applicable to that year for the purpose of defraying in whole or in part the cost of any construction of a capital improvement upon the Common Areas, or within the easements granted to the Association in Article 3, or up any other real property in which the Association has easement rights, including fixtures and personal property related thereto. Any such Assessment shall have the assent of a majority of the votes of the membership who are voting in person or by proxy at a meeting duly called for this purpose. Notwithstanding the foregoing, the levy of any Capital Improvement Assessment pursuant

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

to this provision which would exceed, for each Owner, the total amount of the prior year's Common Assessment, will require a majority vote of all Non-Declarant Owners.

Section 5.6 **Reconstruction Assessment.** In addition to the Common Assessment and Capital Improvement Assessment authorized above, the Association may levy, in any assessment year a Reconstruction Assessment applicable to that year for the purpose of defraying in whole or in part the cost of any reconstruction, repair, or replacement of a capital improvement upon the Common Areas, within the easements granted to the Association in Article 3, within any portions of the Surface Water or Storm Water Management System, or within any other real property in which the Association has easement rights, including fixtures and personal property related thereto. Any such Reconstruction Assessment which does not exceed, for each Owner, the total amount of the prior year's Common Assessment, may be fixed and adopted by a majority of the Board of Directors at a meeting of the Board of Directors duly called for that purpose. Any such Reconstruction Assessment which would exceed, for each Owner, the total amount of the prior year's Common Assessment, shall have the assent of a majority of the votes of the membership who are voting in person or by proxy to a meeting duly called for this purpose.

Section 5.7 **Special Assessment.** In addition to the Common Assessment, Capital Improvement Assessment, and Reconstruction Assessment authorized above, the Association may levy, in any assessment year, a Special Assessment against any individual Owner, and against that Owner's Lot, equal to the cost incurred by the Association in connection with the enforcement of this Declaration against such Owner or such Owner's failure to duly perform its obligations hereunder. Any such Special Assessment shall be adopted by a majority of the votes of the Board of Directors at a meeting of the Board of Directors duly called for that purpose. The authority of the Board of Directors to levy a Special Assessment against an Owner shall be in addition to the authority to assess fines pursuant to Section 6.3 below.

Section 5.8 **Notice and Quorum for any Action Authorized under Sections 5.5 and 5.6.** Written notice of any meeting called for the purpose of taking any action authorized under Sections 5.5 or 5.6 shall be sent to all Members not less than fourteen (14) days nor more than sixty (60) days in advance of the meeting, except in the case of emergency reconstruction, repair or replacement the Board of Directors may reduce the notice period to not less than 24 hours in advance of the meeting, so long as every reasonable effort is made to assure that the Members receive actual notice of the meeting in advance of the same. At the first such meeting called, the presence of Members or of proxies entitled to cast thirty percent (30 %) of the votes of the membership shall constitute a quorum. If the required quorum is not present another meeting may be called subject to the same notice requirement, and the required quorum at such subsequent meeting shall be twenty-five (25%) of the votes of the membership. The Association may call as many such subsequent meetings as necessary to obtain an authorized quorum. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting, without written notice.

Section 5.9 **Uniform Rate of Assessment.** The Common Assessment, and any Reconstruction Assessment and Capital Improvement Assessment, must be fixed at a uniform rate for all Lots, except as to undeveloped Lots owned by the Declarant pursuant to Section 5.4 above, and may be collected on a monthly, semi-annual, quarterly or annual basis as determined by the Board of Directors.

Section 5.10 **Date of Commencement of Assessments; Due Dates.** The Assessments provided for in this Article shall commence as to all Lots on the first day of the month next following the conveyance of the Common Area or the conveyance of the first Lot to an Owner other than Declarant, whichever shall occur first. The First Common Assessment shall be adjusted according to the number of months remaining in the calendar year. Written notice of the Common Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate

of the Association as to the status of Assessments on a Lot is binding upon the Association as to third parties as of the date of its issuance.

**ARTICLE 6.
COLLECTION OF ASSESSMENTS**

Section 6.1 Monetary Defaults and Collection of Assessments.

- 6.1.1 Late Fees and Interest.** If any Assessment is not paid within ten (10) days after the due date, the Association shall have the right to charge the defaulting Owner a late fee of ten (10%) percent of the amount of the Assessment, or Ten (\$10.00) Dollars, whichever is greater, plus interest at the highest rate of interest allowable by law from the due date until paid. If there is no due date applicable to any particular Assessment, then the Assessment shall be due ten (10) days after written demand by the Association.
- 6.1.2 Acceleration of Assessments.** If any Owner is in default in the payment of any Assessment owed to the Association for more than thirty (30) days after written demand by the Association, the Association upon written notice to the defaulting Owner shall have the right to accelerate and require such defaulting Owner to pay to the Association Assessments for the next twelve (12) month period, based upon the then existing amount and frequency of assessments. In the event of such acceleration, the defaulting Owner shall continue to be liable for any increases in the Common Assessments, for all Special Assessments, and for all other Assessments payable to the Association .
- 6.1.3 Lien for Assessments.** The Association has a lien on each Lot for unpaid Assessments owed to the Association by the Owner of such Lot, and for late fees and interest, and for reasonable attorneys' fees incurred by the Association incident to the collection of the Assessments or enforcement of the lien, and all sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances in order to preserve and protect the Association's lien. The lien is effective from and after recording a lien in the public records in the County, stating the legal description of the Lot, the name of the record Owner, and the amount due as of the recording of the claim of lien. A recorded claim of lien shall secure all sums set forth in the claim of lien, together with all Assessments or other monies owed to the Association by the Owner until the lien is satisfied. The lien is in effect until all sums secured by it have been fully paid or until the lien is barred by law. The claim of lien must be signed and acknowledged by an officer or agent of the Association. Upon payment in full of all sums secured by the lien, the person making the payment is entitled to a satisfaction of the lien.
- 6.1.4 Collection and Foreclosure.** The Association may bring an action in its name to foreclose a lien for Assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The applicable Owner shall be liable to the Association for all costs and expenses incurred by the Association in connection with the collection of any unpaid Assessments, and the filing, enforcement, or foreclosure of the Association's lien, including reasonable attorneys' fees and all sums paid by the Association for taxes and on account of any other mortgage, lien, or encumbrance in order to preserve and protect the Association's lien. The Board is authorized to settle and compromise the Association's lien if the Board deems a settlement or compromise to be in the best interest of the Association.
- 6.1.5 Subordination of Lien.** The lien of the Association for Assessments or other monies shall be subordinate and inferior to the lien of any first mortgage of record held by an institutional lender. An institutional lender shall refer to any bank, bank

FOR
VIA PARADISUS**

holding company, trust company, or subsidiary thereof, savings and loans association, savings bank, federal national mortgage association, insurance company, union pension fund, mortgage company, an agency of the United States government, or the Declarant . Any person who obtains title to a Lot pursuant to the foreclosure of a first mortgage of record held by an institutional lender, or any Mortgagee who accepts a deed to a Lot in lieu of foreclosure of the first mortgage of record held by an institutional lender shall not be liable for any Assessments or for other monies owed to the Association which are chargeable to the former Owner of the Lot and which became due prior to acquisition of title as a result of the foreclosure or deed in lieu thereof, unless the payment of such funds is secured by a claim of lien recorded prior to the recording of the foreclosed or underlying mortgage. The unpaid Assessments or other monies are Common Expenses collectable from all of the Owners, including such acquirer and his successors and assigns. The new Owner, from and after the time of acquiring such title, shall be liable for payment of all future Assessments as may be assessed to the Owner's Lot. Any person who acquires a Lot, except through foreclosure of a first mortgage of record or acquiring title by sale, gift, devise, operation of law or by purchase at a judicial or tax sale, shall be liable for all unpaid Assessments and other monies due and owing by the former Owner to the Association; provided, however, that this obligation shall not be applicable to loans insured by the Federal Housing Administration or guaranteed by the Veterans Administration, if the applicable statutes, rules or regulations of the FHA or VA prohibit such liability.

6.1.6 Unpaid Assessments Certificate. Within fifteen (15) days after written request by any Owner or any Mortgagee holding or making a mortgage encumbering any Lot, the Association shall provide the Owner or Mortgagee a written certificate as to whether or not the Owner of the Lot is in default with respect to the payment of Assessments or with respect to compliance with the terms and provisions of this Declaration, and any person or entity who relies on such certificate in purchasing or in making a mortgage loan encumbering any Lot shall be protected thereby.

6.1.7 Application of Payments. Any payments made to the Association by any Owner shall first be applied towards any sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances which may have been advanced by the Association in order to preserve and protect its lien; next toward reasonable attorneys' fees incurred by the Association incidental to the collection of Assessments and other monies owed to the Association by the Owner or for the enforcement of its lien; next towards interest on any Assessments or other monies due to the Association, as provided herein; and next towards any unpaid Assessments owed to the Association in the inverse order that such Assessments were due.

Section 6.2 Non-Monetary Defaults. In the event of a violation by any Owner or any tenant of an Owner, or any person residing with them, or their employees, guests, or invitees, (other than the non-payment of any Assessment or other monies) of any of the provisions of this Declaration, the Articles, the Bylaws or the rules and regulations of the Association, the Association shall notify the Owner and any tenant of the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within fourteen (14) days after such written notice, or if the violation is not capable of being cured within such fourteen (14) day period, if the Owner or tenant fails to commence and diligently proceed to cure completely such violation as soon as practicable within fourteen (14) days after written notice by the Association, or if any similar violation is thereafter repeated, the Association may, at its option take any one or all of the following actions:

6.2.1 Impose a fine against the Owner or tenant as provided in Section 6.3 of this Article;

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

- 6.2.2 Commence an action to enforce the performance on the part of the Owner or tenant, or for such equitable relief as may be necessary under the circumstances, including injunctive relief;
- 6.2.3 Commence an action to recover damages;
- 6.2.4 Restrict the defaulting Owner, its tenants and Permitted Users, from access to, and use of, the Common Areas (excepting only those portions of the Common Areas necessary to access said defaulting Owner's Lot);
- 6.2.5 take any and all actions reasonably necessary to correct such failure, which action may include, where applicable, but is not limited to, removing any addition, alteration, improvement or change which has not been approved by the ARB, or performing any maintenance required to be performed by this Declaration.

Notwithstanding the foregoing, the Association may not commence any legal action against an Owner or tenant unless and until the filing of said action has been approved by a vote of a majority of the Members cast at a duly noticed and called meeting of the Members at which a quorum is present. As a further precondition to filing any legal proceeding the Association and the defaulting Owner shall participate in a mediation of any disputes between them before a circuit court certified mediator and, by acceptance of its Deed to a Lot, each Owner agrees to participate in such mediation within thirty (30) days of written request of the Association (said mediation requirement shall be deemed satisfied if such Owner fails to appear at a mediation scheduled by the Association for which the Owner has received at least fifteen (15) days advance written notice).

All expenses incurred by the Association in connection with the correction of any failure, plus a service charge of ten (10%) percent of such expenses, and all expenses incurred by the Association in connection with any legal proceedings to enforce this Declaration, including reasonable attorneys' fees, shall be assessed against the applicable Owner as a Special Assessment and shall be due upon written demand by the Association. The Association shall have a lien for any such Special Assessment and any interest, costs or expenses associated therewith, including attorneys' fees incurred in connection with such Special Assessment, and the Association may take such action to collect such Special Assessment or foreclose said lien as in the case and in the manner of any other Assessment as provided above. Any such lien shall only be effective from and after the recording of a claim of lien in the Public Records of the County.

Section 6.3 Fines. The amount of any fine shall be determined by the Board, and shall not exceed any maximum amount established by the Florida Statutes. For continuing violations each day the violation is in existence may be considered a separate violation. In such event, the fine may be levied on the basis of each day of the continuing violation, with a single notice and opportunity for hearing. Unless provided for in the Florida Statutes there shall be no cap on the aggregate amount of any fine for a continuing violation. Any fine shall be imposed by written notice to the Owner or tenant, signed by an officer of the Association, which shall state the amount of the fine, the violation for which the fine is imposed, and shall specifically state that the Owner or tenant has the right to contest the fine by delivering written notice to the Association within fourteen (14) days after receipt of the notice imposing the fine. If the Owner or tenant timely and properly objects to the fine, the Board shall appoint a committee of at least three (3) Members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or the sister of an officer, director or employee of the Association, to conduct a hearing within thirty (30) days after receipt of the Owner's or tenant's objection, and shall give the Owner or tenant not less than fourteen (14) days' written notice of the hearing date. At the hearing, the committee shall conduct a reasonable inquiry to determine whether the alleged violation in fact occurred, and that the fine imposed is appropriate. The Owner or tenant shall have the right to attend the hearing and to produce evidence on its behalf. The committee shall ratify, reduce or eliminate the fine and shall give the Owner or tenant written notice of its decision. Any fine shall be due and payable within

**DECLARATION OF COVENANTS AND RESTRICTIONS
FOR

fourteen (14) days after written notice of the imposition of the fine, or if a hearing is timely requested within fourteen (14) days after written notice of the committee's decision. Any fine levied against an Owner shall be deemed a Special Assessment, and if not paid when due all of the provisions of this Declaration relating to the late payment of Assessments shall be applicable. If any fine is levied against a tenant and is not paid within fourteen (14) days after same is due, the Association shall have the right to evict the tenant pursuant to Section 6.6 of this Article.

Section 6.4 Negligence. An Owner shall be liable and may be assessed by the Association for the expense of any maintenance, repairs or replacement rendered necessary by his act, neglect or carelessness, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of a Lot or Dwelling Unit or the Common Areas.

Section 6.5 Responsibility of an Owner for Occupants, Tenants, Guests and Invitees. Each Owner shall be responsible for the acts and omissions, whether negligent or willful, of any person residing in his Dwelling Unit, and for all employees, guests, and invitees of the Owner or any such resident, and in the event the acts or omissions of any of the foregoing shall result in any damage to the Common Areas, or any liability to the Association, the Owner shall be assessed for same as in the case of any other Assessment, limited where applicable to the extent that the expense or liability is not met by the proceeds of insurance carried by the Association. Furthermore, any violation of any of the provisions of this Declaration, of the Articles, or the Bylaws, by any resident of any Dwelling Unit, or any guest or invitee of an Owner or of any resident of a Dwelling Unit shall also be deemed a violation by the Owner, and shall subject the Owner to the same liability as if such violation was that of the Owner.

Section 6.6 Right of Association to Evict Tenants, Occupants, Guests, and Invitees. With respect to any tenant or any person present in any Dwelling Unit or any portion of the Property, other than an Owner and the members of his immediate family permanently residing with him in the Dwelling Unit, if such person shall materially violate any provision of this Declaration, the Articles or the Bylaws, or shall create a nuisance or an unreasonable and continuous source of annoyance to the residents of the Property, or shall willfully damage or destroy any Common Areas or personal property of the Association, then upon written notice by the Association such person shall be required to immediately leave the Property and if such person does not do so, the Association is authorized to commence an action to evict such tenant or compel the person to leave the Property and, where necessary, to enjoin such person from returning. The expense of any such action, including attorneys' fees, may be assessed against the applicable Owner as a Special Assessment, and the Association may collect such Special Assessment and have a lien for same as elsewhere provided. The foregoing shall be in addition to any other remedy of the Association.

Section 6.7 No Waiver. The failure of the Association to enforce any right, provision, covenant or condition which may be granted by this Declaration, the Articles or the Bylaws, shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant, or condition in the future.

Section 6.8 Rights Cumulative. All rights, remedies and privileges granted to the Association pursuant to any terms, provisions, covenants, or conditions of this Declaration, the Articles or the Bylaws, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the Association thus exercising the same from executing such additional remedies, rights or privileges as may be granted or as it might have by law.

Section 6.9 Enforcement By or Against other Persons. In addition to the foregoing, this Declaration may be enforced by Declarant or the Association, by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce

any lien created herein. The expense of any litigation to enforce this Declaration shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration. In addition to the foregoing, any Owner shall have the right to bring an action to enforce this Declaration against any person violating or attempting to violate any provision herein, to restrain such violation or to require compliance with the provisions contained herein, but no Owner shall be entitled to recover damages or to enforce any lien created herein as a result of a violation or failure to comply with the provisions contained herein by any person, and the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees.

**ARTICLE 7.
ARCHITECTURAL REVIEW**

- Section 7.1** **Composition of Architectural Review Board.** The Declarant, acting in his own name or Declarant's appointed agent, shall constitute the Architectural Review Board (referred to herein as "ARB"). At such time as Declarant in his sole and absolute discretion shall determine, Declarant may, in lieu of continuing to serve as the ARB, transfer the authority to serve in that capacity to the Association. At such time Declarant in his sole and absolute discretion transfers such authority to the Association, the Association shall create a committee which shall thenceforth be and constitute the ARB. The Board of Directors may appoint itself to serve as this committee.
- Section 7.2** **Scope of Review.** No buildings, fence, wall, outbuilding, landscaping or other structure or improvement shall be erected, altered, added onto or repaired upon any portion of the Property without the prior written consent of the ARB provided however that improvements erected, altered, added onto or repaired by Declarant shall be exempt from the provisions of this Article 7. Nothing contained herein shall require that the ARB approve improvements of the interior structures which improvements are not visible or apparent from the exterior of the structure. The ARB's approval shall include, but not be limited to, assuring that the improvements comply with individual Lot grading guidelines established by the ARB.
- Section 7.3** **Submission of Plans.** Prior to the initiation of construction upon any Lot, the Owner thereof shall first submit to the ARB a complete set of plans and specifications for the proposed improvement, including site plans, landscape plans, floor plans depicting room sizes and layouts, exterior elevations, approximate ground floor elevation in relation to the existing (natural) grade, specifications of materials and exterior colors, and locations of utilities, and any other information deemed necessary by the ARB for the performance of its function. In addition the Owner shall submit the identity of the individual or company intended to perform the work and a projected commencement and completion date. As a precondition of approval of any plans and specifications or other materials submitted to it, the ARB may assess a reasonable fee, including a fee for initial review and approval and for inspections of construction to assure compliance with the approved plans and specifications and other materials. Initially the fee for such review and inspection with regard to plans and specifications for a Dwelling Unit shall be \$100.00, subject to increase by the Board of Directors.
- Section 7.4** **Plan Review.** Upon receipt by the ARB of all of the information required by this Article 7, the ARB shall have thirty (30) days in which to review said plans. The proposed improvements will be approved if, in the reasonable opinion of the ARB (i) the improvements will be of an architectural style and material that are compatible with the other structures in the Property; (ii) the improvements will not violate any restrictive covenant or encroach upon any easement or building set back lines; (iii) the improvements will not result in the reduction in property value or use of adjacent property (iv) the individual or company intended to perform the work is acceptable to the ARB; and (v) the improvements will be substantially completed, including all cleanup, within twenty-four (24) months of issuance of a building permit. In the event that the ARB fails to issue its written approval within 30 days of its receipt of the last

of the materials or documents required to complete the Owner's submission, the ARB's approval shall be deemed to have been granted without further action.

- Section 7.5** **Contingent Approval.** In the exercise of its sole discretion the ARB may require the Owner to provide assurances that the improvements will be completed in accordance with the approved plans.
- Section 7.6** **Maintenance.** All buildings, fences, walls, outbuildings, landscaping, or other structures or improvements approved by the ARB shall be maintained in accordance with the Plans submitted to the ARB, and in good condition as determined by the ARB. Without limiting the foregoing, all landscaping shall be maintained in a healthy condition. Any failure to maintain any such buildings, fence, wall, outbuilding, landscaping, or other structures or improvements in accordance with the approval obtained from the ARB, and in reasonable condition as determined by the ARB, shall constitute a Non-Monetary Default hereunder pursuant to 6.2, entitling the Association to pursue the remedies set forth therein.
- Section 7.7** **Non-conforming Structures.** If there shall be a material deviation from the approved plans in the completed improvements, such improvements shall be in violation of this Article 7 to the same extent as if erected without prior approval of the ARB. The Association, ARB or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof.
- Section 7.8** **Immunity of ARB Members.** No individual member of the ARB shall have any personal liability to any Owner or any other person for the acts or omissions of the ARB if such acts or omissions were committed in good faith and without malice. The Association shall defend any action brought against the ARB or any member thereof arising from acts or omissions of the ARB committed in good faith and without malice. Any approval given by the ARB, whether written, spoken, or implied, shall not constitute or imply compliance with this Declaration or any governmental regulations.
- Section 7.9** **Address for Notice.** Requests for approval or correspondence with the ARB shall be addressed to the attention of the "Via Paradisus ARB", c/o Glenn Lane, 10935 SE 177th Place, No. 305, Summerfield, FL 34491, and mailed or delivered to the principal office of the Declarant at that address, or such other address as may be designated from time to time by the ARB and the Declarant. No correspondence or request for approval shall be deemed to have been received until actually received by the ARB in form satisfactory to the same.
- Section 7.10** **Variations.** The ARB may authorize variations in compliance with the architectural provisions, and all of the use restrictions, of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Any variance granted for the use restriction set forth in Article 2 must, before becoming effective, be approved by a two-thirds (2/3) vote of the Membership of the Association. Such variations must be evidenced in writing. If such variations are granted in writing and approved in writing by the ARB, no violation of the covenants, conditions, and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variations were granted. The granting of such a variance shall not, however, operate to waive any of the terms or provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variations, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting its use of the premises including, but not limited to, zoning ordinances and setback requirements and requirements imposed by any governmental or municipal authority.
- Section 7.11** **Attorneys Fees and Costs.** For all purposes necessary to enforce or construe this Article the ARB and the Declarant, shall be entitled to collect reasonable attorneys fees, costs and other expenses from the Owner whether or not judicial proceedings are involved. If such fees, costs or expenses are not paid by the Owner to the Declarant within fifteen (15) days

of Declarant providing to Owner a written notice thereof, the Declarant may levy a special assessment in the amount of said fees, costs, and expenses against such Owner which special assessment shall constitute a lien on the Owner's Lot pursuant to Section 6.1 and shall be collectible as set forth in this Declaration.

**ARTICLE 8.
EASEMENT RESERVED TO DECLARANT**

Section 8.1 Easement over Common Areas. For so long as Declarant is the Owner of any Lot, the Declarant hereby reserves unto itself the right to grant easements over, upon, under and across all Common Areas, including, but not limited to, the right to use the said Common Areas to erect, maintain and use electric and telephone poles, wires, cables, conduits, sewers, water mains, and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, cable television, water or other public conveniences or utilities, drainage and the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar action reasonably necessary to provide economical and safe public convenience or utility installation or to provide for drainage and to maintain reasonable standards of health, safety and appearance and the right to locate wells, pumping stations, lift stations and tanks; provided, however, that said reservation and right shall not be considered an obligation of the Declarant to provide or maintain any such utility or service.

8.2.1 by a specific designation of an easement on the recorded Plat of the Property;

8.2.3 by a separate instrument, said instrument to be subsequently recorded by the Declarant.

**ARTICLE 9.
COVENANTS AGAINST PARTITION AND
SEPARATE TRANSFER OF MEMBERSHIP RIGHTS**

Recognizing that the full use and enjoyment of any Lot is dependent upon the right to the use and enjoyment of the Common Areas and the improvements made thereto, and that it is in the interest of all of the Owners that the right to the use and enjoyment of the Common Areas be retained by the Owners of Lots, it is therefore declared that the right to the use and enjoyment of any Owner in the Common Areas shall remain undivided, and such Owners shall have no right at law or equity to seek partition or severance of such right to the use and enjoyment of the Common Areas. In addition, there shall exist no right to transfer the right to the use and enjoyment of the Common Areas in any manner other than as an appurtenance to and in the same transaction with, a transfer of title to a Lot. Any conveyance or transfer of a Lot shall include the right to use and enjoyment of the Common Areas appurtenant to such Lot subject to reasonable rules and regulations promulgated by the Association for such use and employment, whether or not such rights shall have been described or referred to in the deed by which said Lot is conveyed. The Declarant shall convey the Declarant's interest in the Common Areas to the Association.

**ARTICLE 10.
AMENDMENTS TO DECLARATION**

Section 10.1 General Amendments. This Declaration may be amended only by the affirmative vote or written consent of the Members having not less than two-thirds (2/3) of the votes of the Membership. No amendment shall be permitted which changes the rights, privileges and obligations of the Declarant without the prior written consent of the Declarant. 12.4.2 That a two-thirds (2/3) vote of the Membership approve the merger.

Section 12.5 Transfer of Assets to Local Government. The Association may, upon a two-thirds vote of the Members, transfer all assets of the Association, including Common Areas, to the local government having jurisdiction over the same. For example, one Director for a one year term, one Director for a two term, and one Director for a three year term. **FIRST AMENDMENT
TO
DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
VIA PARADISUS**

THIS FIRST AMENDMENT TO DECLARATION OF COVENANTS AND RESTRICTIONS FOR VIA PARADISUS is made this 5th day of July, 2006, by VIA PARADISUS, L.L.C., A FLORIDA LIMITED LIABILITY COMPANY (hereinafter "Declarant") and amends that certain Declaration of Covenants and Restrictions for Via Paradisus recorded in OR Book 4264 at Page 1967, Public Records of Marion County, Florida (the "Declaration").

WITNESSETH:

WHEREAS, Declarant is the Declarant pursuant to the Declaration; and

WHEREAS, the Declaration specifically provides in Article 10.1 thereof that it may be amended by written consent of Members having not less than two-thirds (2/3) of the votes of the Membership; and

WHEREAS, Article 3 and Article 8 of the Declaration further provide for the existence of various easements in favor of the Association or other third parties; and

WHEREAS, Declarant desires to provide for an additional easement in favor of the Association upon real property presently owned by Declarant, and for the terms and conditions thereof.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, and with the intention that it be legally bound, Declarant hereby amends the Declaration as follows:

1. **INCORPORATION OF RECITALS.** Declarant confirms and agrees that the above recitals are true and correct and incorporate their terms and provisions herein for all purposes.
2. **AMENDMENT TO SECTION 2.2.** Section 2.2 of the Declaration is hereby amended to read as follows:

Section 2.2 Residential and Agricultural Use Only. No Lot shall be used for any purpose except for residential or agricultural purposes, limited as set forth herein. The terms "residential" and "agricultural" are intended to prohibit any commercial or institutional use, including professional office use of any portion of any Lot or Dwelling Unit. The ARB may approve the use of a Dwelling Unit as a home office upon receipt of reasonable assurance that said use shall not result in vehicular traffic by clients, customers, delivery persons, or employees, or other third parties not residing within the Dwelling Unit. The foregoing shall not prohibit the occupancy of an approved guest house or apartment by horse trainers or similar help, or domestic help, providing services to the Lot, the owner of the Lot or improvements to the Lot subject to the terms and conditions of this Declaration including those set forth in Sections 6.5 and 6.6 below. No Building shall be erected, altered, placed or permitted to remain on any Lot other than Dwelling Units designated for residential use, with

attached private garages, or detached private garages, guest houses, barns, or storage facilities which have been approved by the ARB and are consistent with the primarily residential and agricultural use of the Property. Construction of no such private garage, detached private garage, guest house, barn, storage facility or other approved accessory structure may be commenced until commencement of construction of an approved Dwelling Unit on the Lot, and no such private garage, detached private garage, guest house, barn or storage facility may be occupied or used prior to issuance of a Certificate of Occupancy for a Dwelling Unit. Agricultural purposes shall be limited to cattle and horse farming and horse training. The planting and harvesting of crops, other than hay, and gardens permitted in accordance with Section 2.36 and the raising of livestock, other than cattle and horses, shall be prohibited. Notwithstanding the foregoing, the ARB may allow the raising of other livestock as part of Future Farmers of America or similar projects by minors residing upon a Lot. In approving any such raising of livestock or part of a project the ARB may require that the Lot Owner provide sufficient assurance that adjacent Lots shall not be bothered by loud noises or noxious odors associated with said livestock. Notwithstanding the foregoing, no Owner may maintain upon his Lot more than one horse or cow per acre included within the Lot, after deducting one acre for any Dwelling Unit located on the Lot. (By way of example, on a 10 acre Lot with a Dwelling Unit the Owner may have a total of nine (9) horses, cows, or a combination thereof). For purposes of this provision a mare with foal shall be considered one horse and a cow with calf shall be considered one cow, until the foal or calf, as the case may be, is weaned. Notwithstanding the foregoing, if the ARB determines that the number of horses and/or cows on any Lot results in unsightly overgrazing the ARB may require a reduction in the otherwise permitted amount of horses or cows maintained on the Lot. A Lot Owner may breed horses or cows regularly kept upon the Lot, and may train horses regularly kept upon the Lot, but may not, on a commercial basis, provide stud services from its Lot to third parties, provide training of, or boarding of, horses to third parties, or provide riding lessons or riding activities for pay to third parties. Notwithstanding the foregoing, no livestock shall be located within the Wetlands or Wetlands Buffers (as those terms are defined in Section 3.16), or Vegetated Natural Buffers (as that term is defined in Section 3.15) permitted as part of the Surface Water or Storm Water Management System. Any Lot Owner maintaining livestock on his Lot shall install adequate fencing approved by the ARB to prohibit the entry of livestock into such areas. None of the foregoing shall prohibit the Declarant, or contractors approved by Declarant, from using Dwelling Units as models or offices. No mobile homes shall be permitted on the Property. No Lot shall be used for ingress and egress to and from any portion of the Common Areas, or any easement granted to the Owners, and adjacent real property not included within the Property.

3. **AMENDMENT TO SECTION 3.12.** Section 3.12 of the Declaration is hereby amended to provide as follows:

Section 3.12 **Equestrian Easement.** There is hereby reserved to the Declarant, the Association, each Owner, and to each Permitted User an easement to, over, and upon the portion of the Common Areas designated for equestrian uses by the Association, and upon all portion of the Equestrian Easement as identified on the face of the Plat, and to, over, and upon the Right-of-Way Easement Area (the "*Equestrian Easement*"). The Equestrian Easement as so designated may be used by the Declarant, Owners, or Permitted Users, subject to Rules and Regulations established by the Association, for horseback riding, the operation of horse drawn carriages, bike riding, walking, jogging or related activities. Motorized vehicles shall not be permitted in the Equestrian Easement, except as is required to perform upkeep and maintenance therein. Any user of the Equestrian Easement, by virtue of using the easement reserved herein, agrees to indemnify and hold harmless Declarant, Association and any Owner from any and all claims, damages, causes of action, suits or other matters arising out of, or related to, the user's use of the easement herein, or presence on the Property which is subject to this easement. All such users accept the risk of, and responsibility for, injuries, claims, and damages arising out of

activities of the kind and nature contemplated hereby. Without limiting the foregoing, each Owner, by acceptance of a Deed to a Lot, agrees to, prior to making use of, or permitting any guest, tenant, invitee, or other Permitted User to make use of, the Equestrian Easement, execute or cause said third party to execute a written waiver of release in form approved by the Association as a pre-condition to use of the Equestrian Easement. The Association may, in addition to promulgating a form waiver and release, also promulgate reasonable rules and regulations for use of the Equestrian Easement. Any user of the Equestrian Easement, by use thereof, acknowledges receipt of the following warning.

WARNING

UNDER FLORIDA LAW, AN EQUINE ACTIVITY SPONSOR OR EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO, OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES.

4. **AMENDMENT TO SECTION 3.3.** Section 3.3 of the Declaration is hereby amended to provide as follows:

Section 3.3 **Owner's Easements of Enjoyment.** Every Owner shall have a non-exclusive perpetual right and easement of enjoyment in and to the Common Areas, if any, which right and easement shall be appurtenant to and shall pass with the title to every Lot subject to the following provisions:

- 3.3.1** any limitations or conditions set forth in the deed, grant of easement, license, this Declaration, or other conveyance or agreement creating the right of the Association in and to that portion of the Common Areas; and
- 3.3.2** the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members of the Association. No such dedication or transfer shall be effective unless an instrument, signed by Members representing a majority of the votes of the membership, agreeing to such dedication or transfer has been recorded; and
- 3.3.3** The right of the Association to implement Rules and Regulations, and other restrictions, which shall apply uniformly to each Owner, for the use of the Common Areas, including restrictions on the right of an Owner to delegate or assign its right to use the Common Areas or any easements granted in this Declaration to third parties; and
- 3.3.4** The right of the Association to prohibit any individual Owner, its tenants, guests or invitees, of making use of the portion of the Common Areas for violation of these Declarations as contemplated by Section 6.2 below.

The Owners's Easement of Enjoyment granted herein is intended to be limited to the Owner and Permitted Users whose relationship with the Owner arises from, or is directly related to, the Owner's ownership of the Lot, and not arising from, or related to, the Owner's ownership of other real property, whether adjacent to the Property or otherwise.

5. **AMENDMENT TO SECTION 3.4.** Section 3.4 of the Declaration is hereby amended to include a new last sentence which shall read as follows:

The right to make the Common Areas available to additional lands shall be limited to the Declarant and no Owner of a Lot who also owns adjacent or other real property which adjacent or other real property is not submitted to the lien, operation and effect of this Declaration shall have any right to

make the Common Areas, or the easements granted herein, available to third parties as a result of the ownership of said adjacent or other real property.

6. **AMENDMENT TO SECTION 3.8.** Section 3.8 of the Declaration is hereby amended to read as follows:

Section 3.8 Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Areas and facilities to the members of his family, his tenants, or contract purchasers who reside on the Owner's respective Lot. The Owners's Easement of Enjoyment granted herein is intended to be limited to the Owner and Permitted Users whose relationship with the Owner arises from, or is directly related to, the Owner's ownership of the Lot, and not arising from, or related to, the Owner's ownership of other real property, whether adjacent to the Property or otherwise.

7. **AMENDMENT TO ARTICLE 3.** Article 3 of the Declaration is hereby amended to add a new Section 3.19 which shall read as follows:

Section 3.19 Landscaping and Signage Easement. Declarant hereby retains for itself, and grants to the Association a perpetual easement under, on the surface of, and air rights over, any landscaping and signage easements so designated, or similarly designated, on the face of the Plat, and under, on the surface of, and air rights over, the additional real property described in Exhibit "1" hereto (all of the foregoing, whether designated on the face of the Plat or in Exhibit "1" hereto, the "*Landscaping and Signage Easement Areas*") for the purpose of the construction, maintenance, repair, and replacement of any sidewalks, drainage facilities, including culverts and swales, utilities, walls, partial walls, entrance features, gates, signs (whether any such sign is freestanding or installed on the face of a wall or entrance feature), lighting and landscaping, as well as all wells, irrigation systems, and utilities serving any of the foregoing, and any and all other improvements serving the subdivision and constructed by Declarant or the Association with the Landscaping and Signage Easement Areas.
